

Kinderlinks

2024

Transition to School Program

The aim of Kinderlinks is to give children an understanding of the school's routines and its physical layout. It also provides parents with an opportunity to meet parents of other children and become familiar with the school staff. Over the sessions, children will become comfortable in the school environment and will meet friends with whom they will be attending school in 2024.

Session Information:

Session 1 - Tuesday 7 November
