Messages from the Principal

Disco Fun end of Week 1

Many thanks to Anita von Korff for organising such a wonderful night of dancing for our students. Many thanks to the multitude of parents who gave up their time to help supervise and support the disco, organised by the P&C.

Performing Arts Night

Congratulations to all our outstanding performing arts students who shone bright at the Performing Arts Night last Thursday night. From groups to soloists, our students showcased their amazing talents. Nerves and excitement filled the air. Some students had never taken to the stage like that before and were naturally nervous. That moment when you catch students encouraging others who appeared nervous was just exactly what we love to see. Hearing pep talks and words of encouragement certainly made the nerves fade away and the true performers came to the stage.

A big thank you to Mr Harpur for organising the event. Thank you to Pippi for conducting our Junior and Senior Bands, Mrs McNaught for leading the Recorder Group and Candice for choreographing the Junior and Senior Dance Troupes. Thank you to our amazing community for attending the night and celebrating with us. Bring on Showcase!

P&C Wishlist Fairies

Our school's P&C each year have generously supported the school with Wishlist items. Currently the P&C are supporting the school with up to \$16,000 of school resources. Some purchases being made are as follows:

- English – purchasing a wide range of texts and resources to support teachers K-6 with implementing the new curriculum.
- Mathematics – purchasing hands on materials to align with teaching concepts in the new mathematics syllabus K-6.
- Science and Mathematics – building and construction sets of lego and connector blocks.

- Sport Equipment – replacing sporting equipment for everyday games and sports for our K-2 and 3-6 students.
- Sport uniforms – new sets of Netball uniforms and top up orders for AFL and Zone representative shirts and swim caps.
- Sound room – purchasing of media equipment for our new recording space.
- Aesthetic improvements – class set of student chairs and purchasing of paint and equipment to improve outdoor garden and play spaces.

We are extremely grateful to the P&C and know these items will be used daily in so many learning and play based opportunities by our students and staff.

Primary Bathrooms

Our primary bathrooms are now in operation. We know this has been a student and community request for quite some time and are excited to bring this request to fruition. We are delighted with the brand-new facilities for our students to use.

Year 5 - Student Leader Nominations for 2024

We received many student leader nomination forms for 2024. All students who self-nominated should have received information dated Wednesday, 25 October, explaining the speech requirements and next steps. We look forward to hearing from our candidates, Monday, 20 November at 9:30am for a special assembly in the hall. Parents are welcome to attend.

World Teachers' Day

Happy World Teachers' Day to all the teachers at Wideview Public School. I am grateful to work with our teachers every day to create the special place that is Wideview. An extra shout of congratulations to Mr Coleman, who is this year's recipient of the Department of Education's World Teachers' Day Award. Mr Coleman is a valued member of our school community. He works tirelessly to create an environment for his class and across the school that's built on positivity and effort. He instils the mottos of 'never give up' and 'trying your best is what counts' to our students every day.

Canberra Excursion 2023

With only 4 sleeps to go, Canberra is creeping up. The Stage 3 teachers and I can't wait to enjoy the wonders of Canberra from Monday, 30 October — Wednesday, 1 November. We have an early start on Monday with a 6:30am arrival to school. A one-page final update was sent home with students on Monday, 23 October and sent via the Sentral Parent Portal today, 26 October. If you require any further information regarding the excursion, please contact your child's classroom teacher.

Selective High School Placement Test – Current Year 5 Students

Applications for Year 7 entry to selective high schools in 2025 opened on 9 October 2023 and close on 20 November 2023. All Year 5 parents were notified via Sentral and School Bytes email with additional information on Monday, 9 October. The Department of Education and P&C Federation invite parents of Year 5 children to a webinar to learn more about applying for a Selective High School, please use the following link to register for the webinar held Wednesday, 1 November 2023 7pm—8pm https://au01web.zoom.us/webinar/register/WN_2EOawGjhTkaaRoZDD4WqjQ#/registration

Asquith Boys and Asquith Girls High School

On Thursday, 19 October, many of our Year 6 students attended Orientation Days at Asquith Boys and Asquith Girls. We know the transition to high school can be a big change. We are grateful for the additional orientation days scheduled by the high schools for our students.

Here's what some of our students had to say:

Samika H:

We learned a lot of fun things. We were all divided into different groups with 1 or 2 people from our school and about 6 different people from other schools in the district and we had lots of peer support leaders. We went to sport and then science where we learned how to make lava lamps. In Maths we did a relay of questions and my group won! Then in Geography we did an escape room with a series of questions. Overall the experience day was super fun! It was so fun making new friends, and seeing what a day in high school was like and how different it was to primary school.

Toby S-D

At the start we did a scavenger hunt to locate different areas around the school. We went to metal work and made rings out of copper, and in math we tried to make a stable bridge out of paddle pop sticks and sticky tape. The day went really fast but it was sooo fun!

Zalia W

The orientation was very enjoyable. The day started off with an introduction presented by the teachers. Soon after the introduction, all of the students in the library played four corners. Throughout the day, all the groups enjoyed outdoor activities such as P.E, recess, lunch etc as well as indoor learning activities including science, maths, history, dance etc. Overall the day was so great. The teachers were all so nice, older students helped us out when it was needed, I learned new things and most importantly, I got a real taste of what Asquith Girls High is like and how they do things differently to my primary school.

Doug O

Firstly to kick off our day we did a scavenger hunt, it was fun however our team didn't win. We went to metal work which was my favourite subject of the day because we made copper rings with letters engraved in the copper. After that we moved onto maths which was ten times more fun than primary school maths because we were building bridges. At lunch we got a sausage roll, a pack of chips and a juice bomb which were all tasty.

Rory F

We learnt lots of really fun things. My group went to science and made lava lamps. It went terribly. We put too many colours in our beaker/glass jar. We then went to maths. It was a relay race to see who was the fastest group and they won lollipops. Next we went to Geography and had to solve the puzzle in order to crack the code. Then we went to French and Japanese. FOOD TECH! We had a blast making pizza muffins. They were so delicious. Overall the experience was super fun! It was fun making new friends and seeing what a day in high school feels like.

Zak G

I had a blast scattering around the school while looking at all of the amazing stuff that the other Asquith Boys students had made. Then we had a recess break and lots of the schools joined in for a game of soccer. After our break we went to metal work, it was cool learning how to make a ring that was definitely my favourite subject I did that day. We got to maths and had to build a bridge made of paddle pop sticks. Sadly we had to go home, I'm totally looking forward to high school!

This past week, selected Year 5 students attended Immersion Days focused on specific subject areas at both high schools. We look forward to sharing their experiences in the Week 5 newsletter.

Bell Songs in Term 4

Congratulations to the Hales and Savage families for winning the opportunity to choose the school's bell song choices at the Wideview Wonderland earlier this year. Each week in Term 4, a song will be played chosen either by Emma, Josh, Madeleine and Darcy. We can't wait to hear the requests play out.

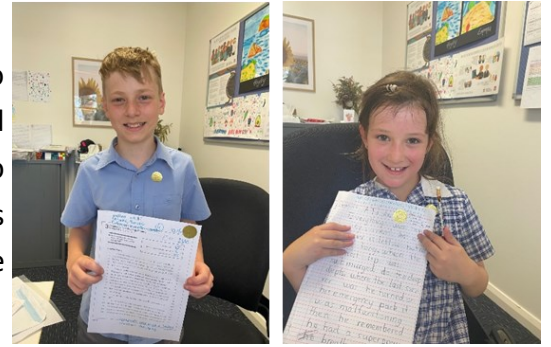

Mufti Day – Maddie wins the whole school dress up on your Birthday – Wednesday, 1 November

Congratulations to Maddie A for winning the dress up day on your birthday. Maddie has chosen the theme 'Come dressed as something starting with your first initial'. Students in K-4 are welcome to come dressed up

on Wednesday, 1 November and help Maddie celebrate turning the big double digits!

Students in the Spotlight

One of the joys of being a Principal is having students excited to share their achievements. Congratulations to Evan who scored 100% on a reading comprehension assessment. He had a goal to achieve better than his previous score and certainly did that. I was so impressed with Ivy's independent writing. Her use of language to engage the reader was to be congratulated.

Asquith Boys and Asquith Girls High School Experience Days—current Year 5

Please be advised the Asquith Boys High School Experience Day for current Year 5 students will be held on the same day as the Asquith Girls High School Experience Day, Thursday, 16 November. Please update your parent calendar with the change of date. A flyer for ABHS is included in this newsletter. Please register by Wednesday, 8 November. Once we receive the AGHS flyer, we will send this to all relevant students.

Performing Arts Night

Last week the students of Wideview had the opportunity to showcase their amazing talents. Parents witnessed and enjoyed a wide array of performances from the senior and junior bands, the recorder groups, and the dance groups. They were also be-dazzled by the talents of some wonderful soloists including singers (as young as Year 1), dancers, and musicians. Thanks to all of the parents who support

their children through their musical journeys, and to the conductors that allow their groups and bands to continue growing. Wideview certainly does have talent!

Stage 3 Canberra – last update!

3 sleeps to go! Thank you, parents and students, for helping us to be organised for our Canberra excursion.

We will meet you at 6:30am (arghh!) on Monday morning at the primary silver seats. Bring your backpack, duffel bag and a sense of adventure! Here we go!!

Mrs LV and the Stage 3 Teachers

Zones of Regulation

Each week in Term 4, teachers will demonstrate strategies to support students with their emotional regulation. The strategies for Week 2 and Week 3 are:

Place the tip of your tongue on the roof of your mouth. Move your tongue around in circles clockwise five times. Then move your tongue in circles counterclockwise five times.

Why to try?

This may help during times when we are trying to listen and focus, like a fidget. This action can wake up the nerves in our mouth and keep it busy to prevent interrupting others and maintaining focus when something is boring.

Give someone a compliment, show them attention, or cheer them on. You can do this with your words, gestures, or even by dropping them a little note.

Why to try?

Showing focused attention and appreciation to others can help to create positive relationships and a feeling of social connection. Seeing someone else smile releases feel-good hormones in us as well.

Book borrowing stopping soon

At the end of each calendar year we must conduct a stocktake of all library books. For this reason, all borrowing of books from the school library will cease at the end of school week 6 this term. Please help your child locate any books they have borrowed and ensure they are returned to the library by Friday of Week 6. If you cannot find a book that has been borrowed, please let us know at your earliest convenience. Borrowing will resume in Term 1 of 2024. Thank you so much for your assistance.

School Student Travel

Term 4 2023

2024 school travel applications are now open

Students who need a new or replacement School Opal card or travel pass for 2024 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement because of a new shared parental arrangement (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification for their school travel entitlement should [renew or update](#) their details **before the end of term 4**. This will ensure that schools can endorse applications, and travel passes remain valid for the start of the 2024 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2024.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Changes to your bus service provider

Within Greater Sydney, a number of bus service providers have changed their names.

Parents intending to lodge an application for a School Opal card will need to visit [transportnsw.info trip planner](https://transportnsw.info/trip-planner) to obtain the correct bus operator name servicing your area prior to lodging an application.

Travel from Term 1 2024

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2024 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2023, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

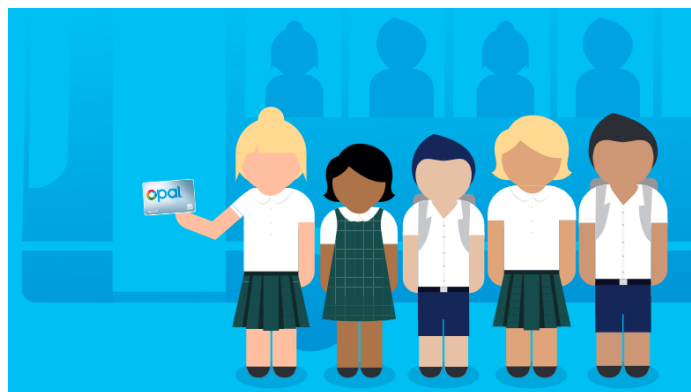

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at [Plan your trip to school | transportnsw.info](https://transportnsw.info)

Enquiries can be submitted at [Fares, concessions, tickets & top-up feedback | transportnsw.info](https://transportnsw.info)

WIDEVIEW PUBLIC SCHOOL - SHOWCASE 2023

TICKETING INFORMATION

Dear Parents and Caregivers,

It is with great pleasure that we announce a highlight of the Wideview School Calendar, "Showcase 2023".

This year our theme is **Time Travel**. The concerts will take place in Week 9 of Term 4.

We will have 3 concerts in which all students will perform:

Tuesday 5 December Matinee concert 11.30am

Tuesday 5 December Twilight Concert 5.30pm

Wednesday 6 December Evening Concert 7.00 pm

Tickets will be sold online using the online booking system *TryBooking*.

How many tickets per family?

The number of tickets available for family and friends is dependent on the number of seats in the hall. Due to the size of our hall we have limited the amount of tickets per family so that **every** Wideview family is able to attend and see their child perform. We have 223 families to cater for at Wideview.

Each family will be able to purchase **3 tickets in total**. For example, you may wish to purchase 1x Matinee and 2x Twilight tickets. This will be an honour system when purchasing online but we ask that each family provides the name of their eldest child and their class in the field provided. Our P&C Showcase administrator and Mrs Pitts will be checking this periodically to ensure that it is fair and right for all families. Separated families may purchase 3 tickets in total per household. Any tickets purchased above the allocation will be refunded by the P & C Showcase administrator.

Please note that prams will not be permitted into the school hall so small children will need to sit on the lap of their parents for the duration of the concert. The concert is expected to go for 1 1/2 hours.

Ticket Prices

Ticket prices will be \$5 for the matinee and \$10 for the twilight and evening performances. We are having a special price for enthusiasts for the first two rows, only for the twilight and evening performances, at a cost of \$20 per ticket. This will be first in best dressed. All profits from ticket sales (after paying for production of the three concerts) will go towards fundraising for our wonderful school.

When do the tickets go on sale?

The tickets go on sale from **Friday 27 October (Week 3) from 7.00am**.

No payments are to be made directly to the school. All payments are to be made online via *TryBooking*. If you do not have a credit card, please email: ticketsatwideview@gmail.com

Information regarding the *Trybooking* website and the link will be sent home via the Sentral Parent Portal, School Bytes email and it will be in the Week 3 and Week 5 school newsletters. There will also be reminders sent via the above communication platforms.

Can I buy extra tickets?

Following the sale of tickets, if not sold out after two weeks, there will be an offer of extra tickets (**limited to 2 per family**). These extra tickets, if available, will go on sale from Friday 10 November.

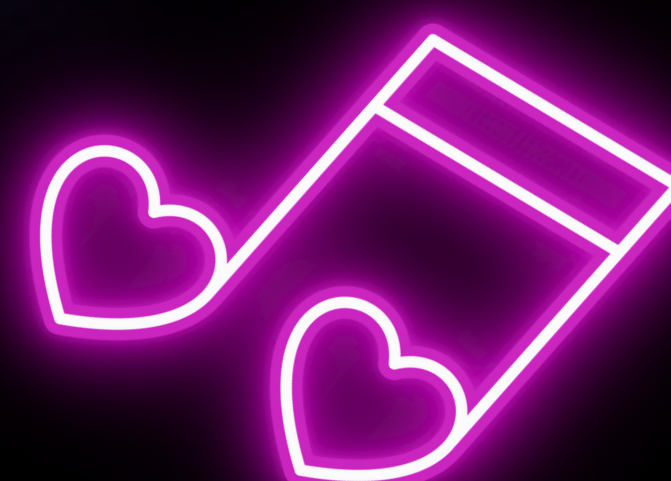

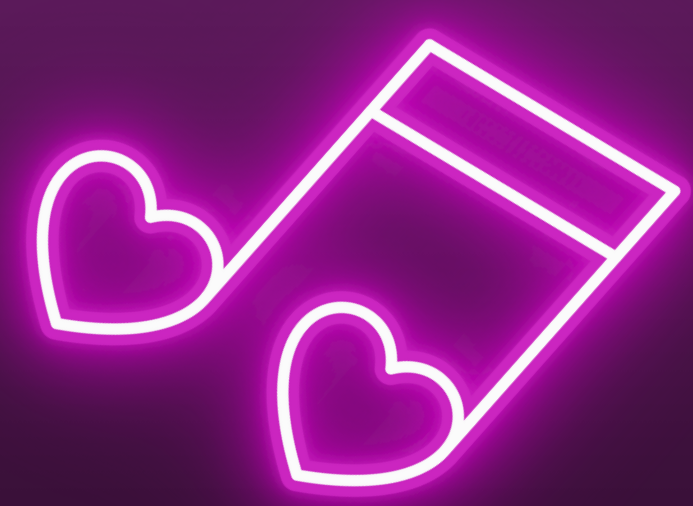

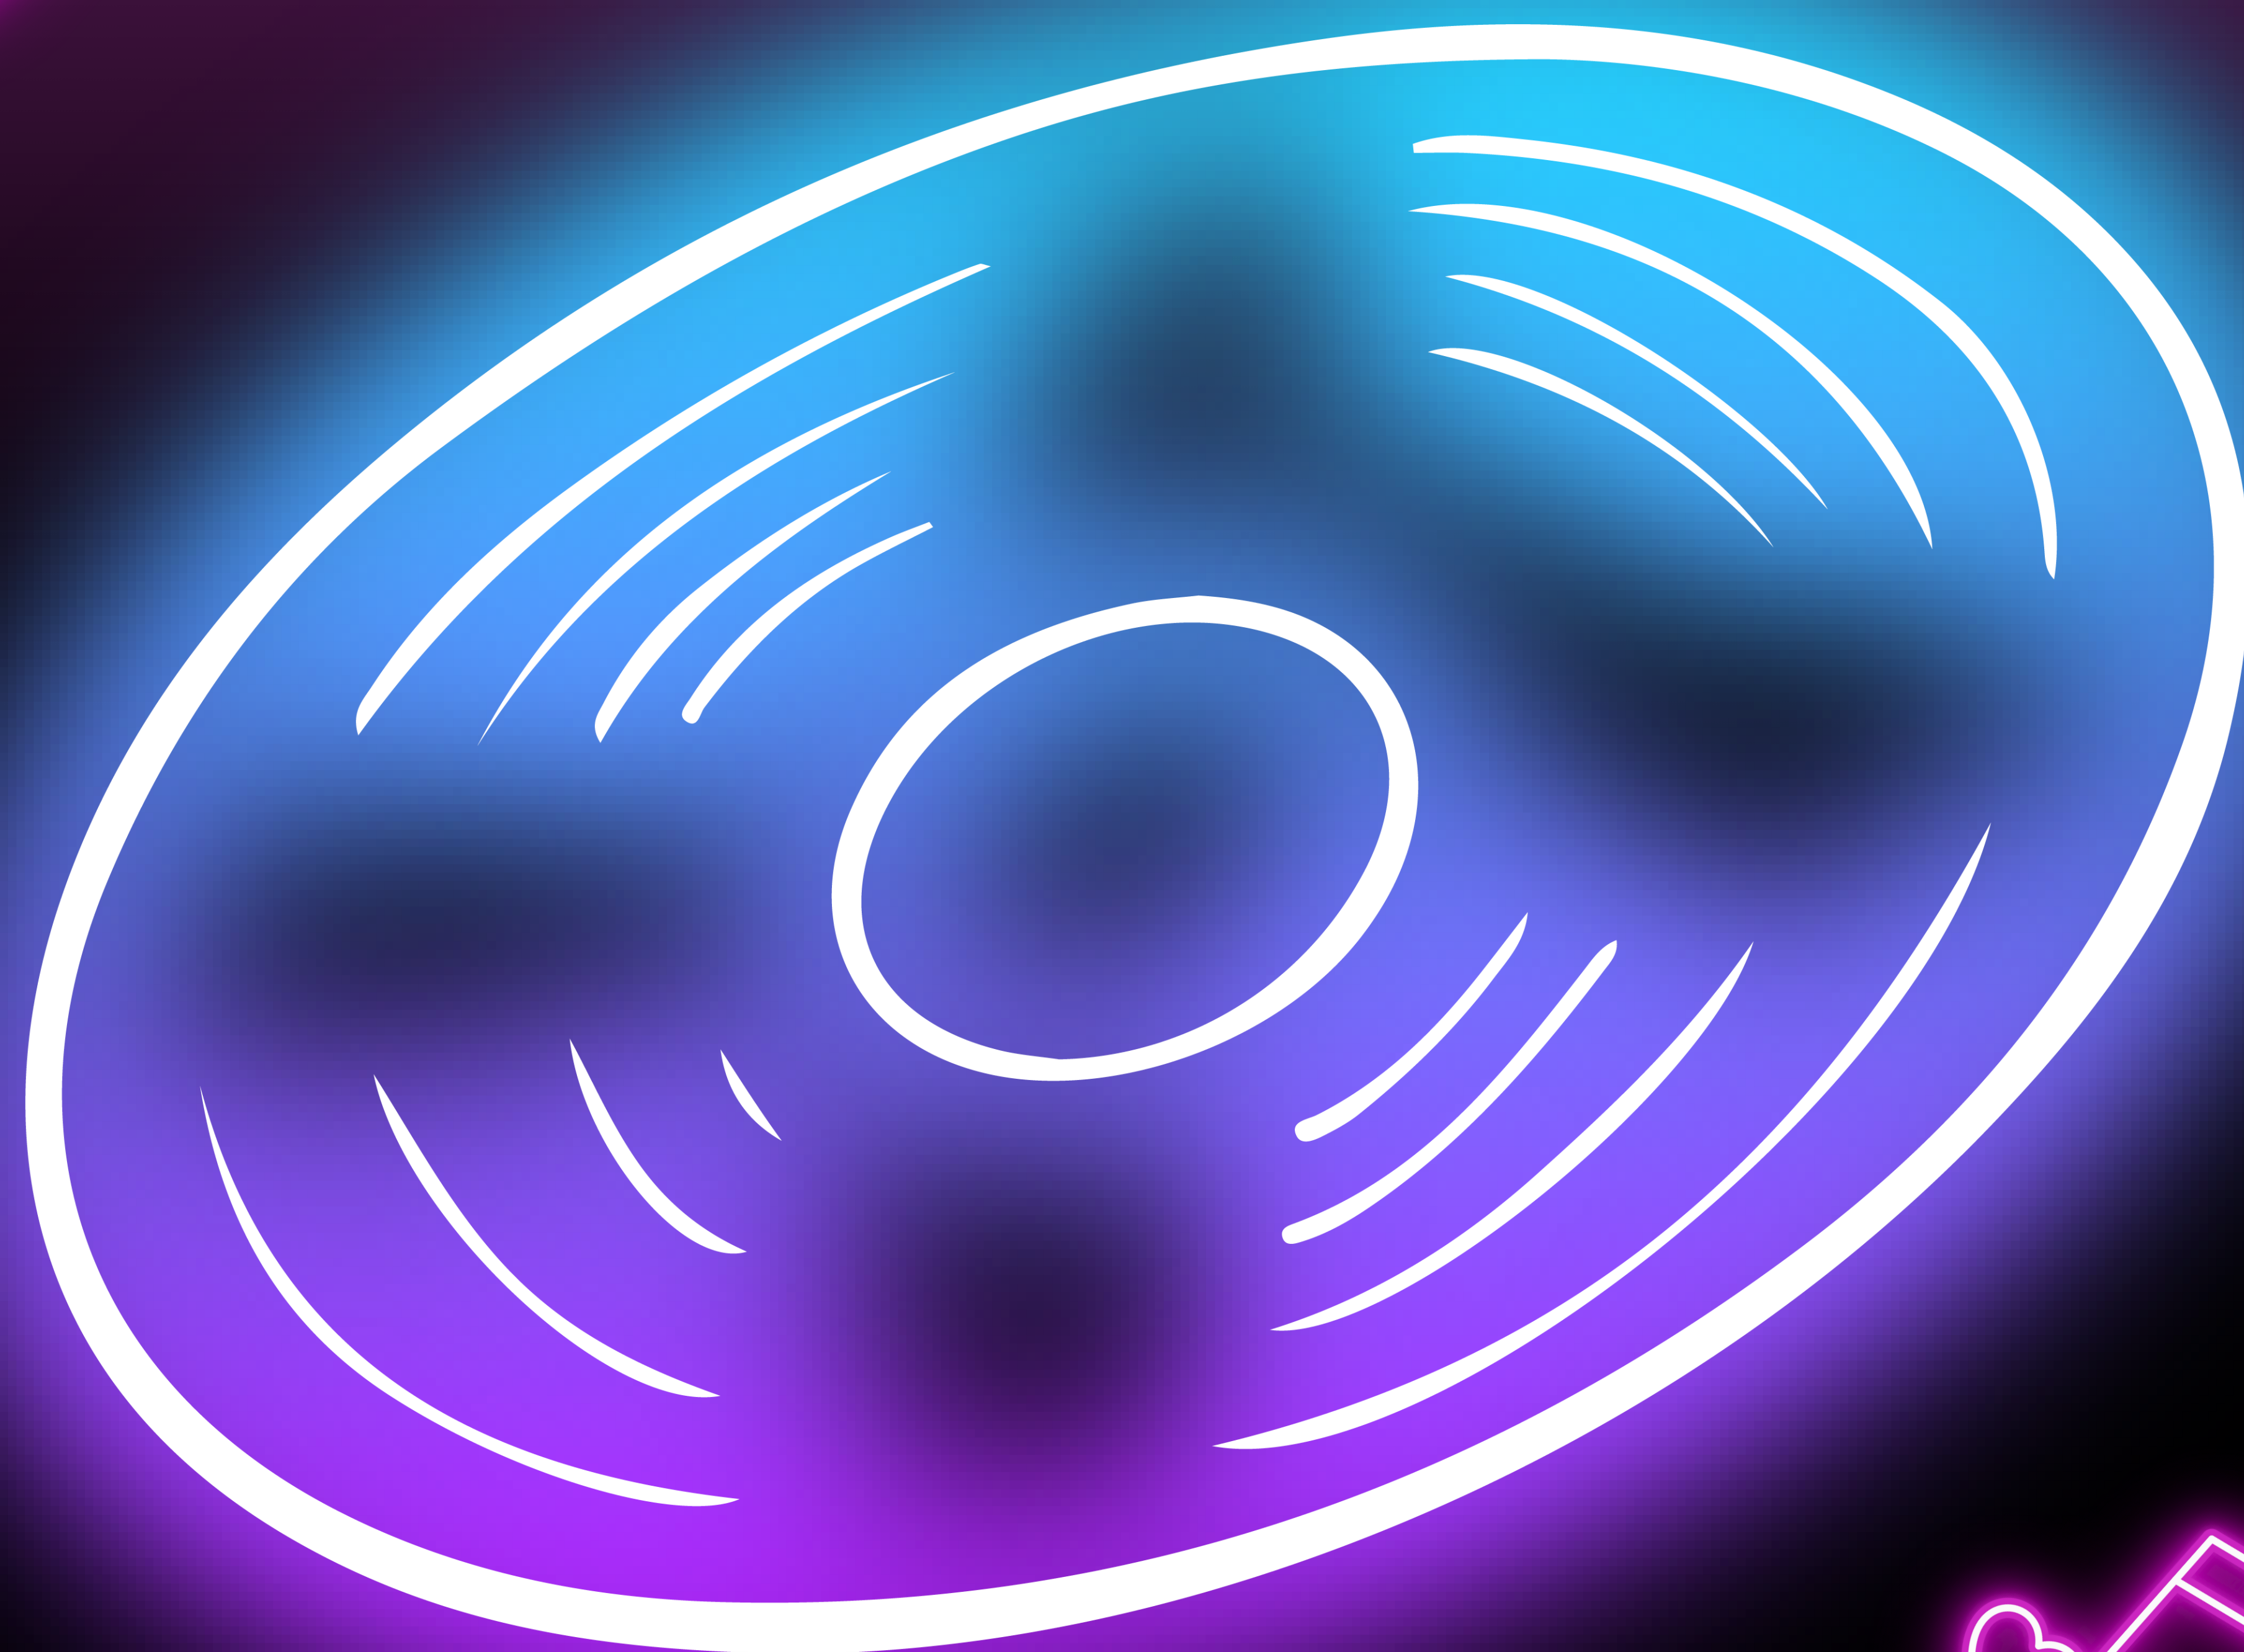

After this 2nd round, if any tickets are still available, they will all go on sale from Friday 17 November.

As many of you are aware, Showcase is a wonderful experience for the children in our school. It creates wonderful memories for all of us. We thank you for all your support of this event and we trust that this form of ticketing will make it a fair, smooth and easy process for all involved.

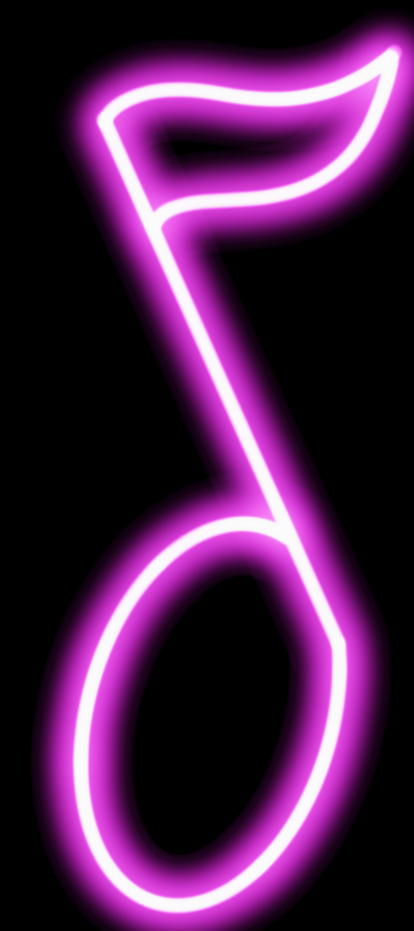

We look forward to a very exciting Showcase 2023!

Yours sincerely, The Showcase Committee

P&C Update

Term 4 Updates

What a wonderful start to term 4! Over 200 students attended the disco in week 1 this term, and we have had lots of positive feedback from the night. Thank you to those parents who helped me prior to the night: Zarlina Duncan for helping with tickets and sign in sheets, Nar Parker for creating fantastic posters for FB, the newsletter and school, and Ruth Bellia for helping clean up the side area and help put the decorations/backdrop out the front of the hall. Thanks to the 30+ volunteers on the night who helped keep the kids safe and happy, special thanks to Steve Smith who helped a few of students who had small injuries, and to Mrs Pitts for her support and management of the students throughout the night.

Thank you to APEX for holding a BBQ during referendum voting on Saturday, 14 October. We thank them for their continued support of Wideview School.

Shayne Sommer is kindly applying to the 2023 Hornsby Community Building Partnership Grant Program. We are applying for a \$150K grant to assist in upgrading our oval facilities.

Please see below for updates from Band, Canteen and Uniform Shop.

The P&C are supporting the school with ticket management and preparations for Showcase. Thank you to Kiri Tamatea-Burgess for taking on the organising of the tickets and volunteers. We will need volunteers to help with setting up seating and also as ushers at each performance. Info to follow soon.

At the last P&C meeting we looked through the teachers "wish list" and the P&C have approved the spend of \$30K to assist with the upgrade of the oval – the field ground works are very expensive, so we need additional funding from one (or more) large grants for these works to go ahead. The P&C also approved \$16K to be spent on supplies for the students, teachers and school. Mrs Pitts has shared some of the purchases that are currently progress. Thank you to everyone who has helped raise these funds this year and previous years. It is wonderful for us to see this money benefitting the school and our children.

Our next P&C meeting is the last meeting this year on Monday, 20 November at 7pm via zoom. We hope to see you there. New families are always welcome.

Band

Junior Band 2024

Students in Year 3 -6 in 2024 are welcome to join the Junior Band in 2024. No previous experience is necessary. If your child would like to join the band next year, please complete [this form](#) and we'll be in touch

Band Camp 2024

Band Camp 2023 was a massive hit! So much so, that Mrs Pitts has signed up already for 2024! Come and join us for a fabulous weekend of music and activities in 2024. Save the date!

Guitar Lessons 2024

Expression of interest for guitar lessons in 2024 with James Daley.

James is a brilliant guitar, banjo, mandolin, dulcimer, and ukulele player and member of @themorrisonband who is moving to the area in January. He will start teaching guitar at Wideview in 2024. If you're interested in taking guitar lessons with James, please fill out [this form](#). Once you submit the form, I'll pass your contact details on to James, and he'll reach out to you to talk about the lessons further.

Wideview Canteen News

Ice Cream Day at the Canteen – Thursday, 30 November – Further information to follow in next newsletter and keep an eye out for Facebook posts.

Potential Canteen Closures:

The canteen staff are unable to prepare and pack the lunches without volunteers.

If there is no volunteer for a lunch session in the upcoming week for a particular day, the staff will be required to close that day by the Friday prior to allow for enough time for communication and organisation of the upcoming week.

Qkr! does NOT allow bulk refunds unfortunately and therefore parents are required to cancel their order prior to the cancelled day to get their refund. It is advisable to order lunches on the Monday or Tuesday rather than having repeating orders to avoid having to cancel orders.

Due to a reduction in volunteers, the canteen may be required to close more regularly than it has in the past.

Please make sure you are following the canteen FB pages to ensure you are up-to-date with any changes in operating days.

If you would like to volunteer or know anyone who might, please sign up via this link:

<https://signup.com/go/kchdytY>

Thank you to those who volunteer, the canteen is unable to operate at its current prices without you.

Uniform Shop News

It's time for a \$2 sale!

Drop in to pick up a good quality second hand bargain or two!

Opening hours

Monday 2pm – 3:30pm

Friday 9am – 10am

You are welcome to come and browse the second-hand items or to purchase new items.

Second Hand Clothing

All donations of good quality items are welcome. Please drop at the Uniform Shop during opening hours or leave at the front office.

Please note that there are no returns on second hand items.
