Messages from the Principal

What a term it has been! I can't believe Week 11 of Term One is here already!

Our students have worked diligently to settle into a new year of learning and engaged in learning experiences and tackled challenging tasks. One of my favourite times of the week is listening intently to the citations of each merit certificate handed out at the weekly Monday assemblies. There are so many incredible ways our students show their effort and success. To all our students who are moving through the school bluey reward system receiving their 10, 20 or even 40 certificates, congratulations. It has been exciting to hand out 'goldies' to students as an extra bonus to students this term.

Our staff have worked collaboratively to plan, implement, and assess the new English and Mathematics syllabus documents. Weekly professional learning sessions have had a strong focus on concepts of English, modes of assessment and well-being practices.

Thank you to many of our parents, carers and grandparents who have taken time to volunteer in the classroom, the canteen or at a school event. We always appreciate your support in all the ways we work together to create our school community.

Term One Student Attendance

Our student attendance rate continues to be pleasing. 72.6% of our students have attended school at or above 90% of the time this term. Our overall attendance rate is 92.9%. We are extremely proud of our continued positive attendance rates! Keep it up Wideview!

School ANZAC Service

We will be holding our school ANZAC Day service on the last day of Term One Friday 12 April. Our prefects will be leading our school through the service which will commence at 2:30pm on the front oval (alternatively, in the hall if raining). All parents and community are welcome to attend.

ANZAC Day Service – 25 April

The Berowra Veterans ANZAC Day Ceremonies at Berowra Community and Cultural Facility, Gully Rd, Berowra, commences at 7:30am Thursday 25 April. All students and families are welcome to attend the service. In previous communication, we had stated there was a cap on the number of students allowed to march as this was the information provided to us. We have received updated communication that we could

have more students marching in this year's ANZAC Day service march. We welcome our Year 6 prefect body to march. Our Captains and Vice Captains will lay a wreath on behalf of our school community. We thank our responsible school leaders for representing our school for this solemn service.

Whole School Parent/Teacher Interviews Night – Tuesday 7 May - Week 2 Term Two

At the commencement of Term Two, parents will receive information through Sentral of how to book a 10-15min interview time with each of their child's teachers. Most teachers will commence interviews at 3:30pm on Tuesday 7 May and will conclude all interviews by 6:30pm. All teachers will also offer further timeslots on the same online booking system for alternative meeting times throughout Week 2 and Week 3. These interviews are designed to be a short, yet productive check in time for parents and teachers. If you require a lengthier meeting time, please arrange this outside of the interview sessions. If you are unable to meet face to face, your child's classroom teacher will contact you at the chosen session time to conduct the interview.

Students in the Spotlight

Over the past fortnight, the collage of pictures below shares an array of beautiful reasons why we have the best students in any school. I was so excited to work with 2M last week and was blown away when reading some of their creative writing pieces. Luke D in 4/5P showcased his efforts in taking his time to produce a quality artwork and Poppi B from 6LV shared a good news story about Scarlett in 3L offering her raincoat in the storms last week. 6LV students asked the most mature and thoughtful questions to our wonderful cleaner Sudin, who helped them learn about Nepal and the Nepalese culture. Last but not least, Cameron J in KH donated his own football to the school when a fellow peer missed out on borrowing one from the sports shed.

There are a myriad of good news stories! I'm extremely proud of our students who put their best foot forward every day and demonstrate Respect, Responsibility and Pride. I can't wait to see what is in store for Term Two!

Cross Country Carnival – Thursday 2 May - Week 1 Term Two

Cross Country Carnival information has been sent to all families. There is no cost to this event. On Wednesday, teachers walked the track with students in Years 3-6 and some Year 2s turning 8. Like all carnivals, we appreciate the support of parents volunteering. When you complete your child's permission note online, there will be an option to express your interest to volunteer. A coffee van will once again be in operation for any adults who would like to purchase a hot beverage or sweet treat on the day. Students will not be able to access the coffee van without an adult present. Thank you to Rachel Chappell for organising this extra treat for our community.

Term Two School Focus Areas

At the end of Term One, all department of education schools release their school's annual school report for the previous calendar year. This report can be found on our school website from Friday 12 April. In Term Two, our school will be moving forward with a new four-year school strategic plan. Our school plan consists of different directions. Under each direction, major initiatives are established and planned out for the year ahead. We appreciate creating school plans that involve all stakeholders of our school setting and often share these plans in different ways throughout the school year.

Strategic Direction One – Student Growth and Attainment

This direction focuses on varying aspects of the teaching and learning cycle of English and mathematics.

Strategic Direction Two – Student and Community Engagement and Well-being

This direction focuses on varying initiatives that highlight student groupings, community connections, attendance, and well-being programs and strategies implemented throughout the school.

In Term Two, we look forward building on from our Zones of Regulation well-being program and gaining a new well-being strategy for students which focuses strongly on friendships. Students across the years, will more than likely at one time or another be faced with working through friendship changes and challenges. As students get older, a major indicator of their level of happiness at school can be connected to their level of comfort and acceptance within friendships. Throughout Term One, the staff of Wideview have been researching external programs and providers. We look forward to introducing some new strategies for students, parents and staff to utilise on a daily basis moving into Term Two.

School Bytes Permission Note Information

When a permission note has been through the school approval system, it appears in the parent portal on School Bytes. At times, the permission notes are written well in advance and may not be released to be actioned until a later date. Parents will always receive a notification to say permission and payment (if required) can now be actioned for each permission note sent.

HZSS Winter Sports

Winter sports commence early in Term Two. We are awaiting confirmation on the exact start date. This week, teachers taking on the sports for Winter HZSS have commenced trials for these sports. Students in Years 3-6 have had the opportunity to trial for Netball, Football (soccer) and AFL. Thank you to Mrs McGirr who will coach the netball team, Mr Coleman and Mr Parks who will coach the football teams and Mr Carlos who will coach the AFL teams. More information will be shared at the commencement of Term Two.

Wishing all our Wideview families a wonderful two week break ahead! Enjoy the sleep ins, the no ironing of uniforms and the 10 days ahead without thinking of what to pack for lunch.

Thank you for your continued support.

Keep safe and well,

Rebecca Pitts

Principal

Share Our Space

Wideview Public School is a Share Our Space setting over the holiday break. Share Our Space is a commitment by the NSW Government to make schools the centre of the community.

As we have Vacation Care on site during the holiday break, the share our space guidelines offer the grounds to the community 8am – 5pm on public holidays and weekends only.

A sign will be positioned at the front of the school to highlight the Share Our Space expectations.

We attend to security concerns or clean up inappropriate items left on our school grounds on a regular basis. We appreciate the support of the school community over the weekends and holiday breaks to alert security services. Please call 1300 880 321 to report a school security issue.

Year 4 Students of 2024 – 2025 Opportunity Class

Applications for entry into Year 5 opportunity classes in 2025 open **Thursday 4 April and close Monday 20 May 2024**. A message via Sentral has been sent previously to all Year 4 parents with specific details of how to apply.

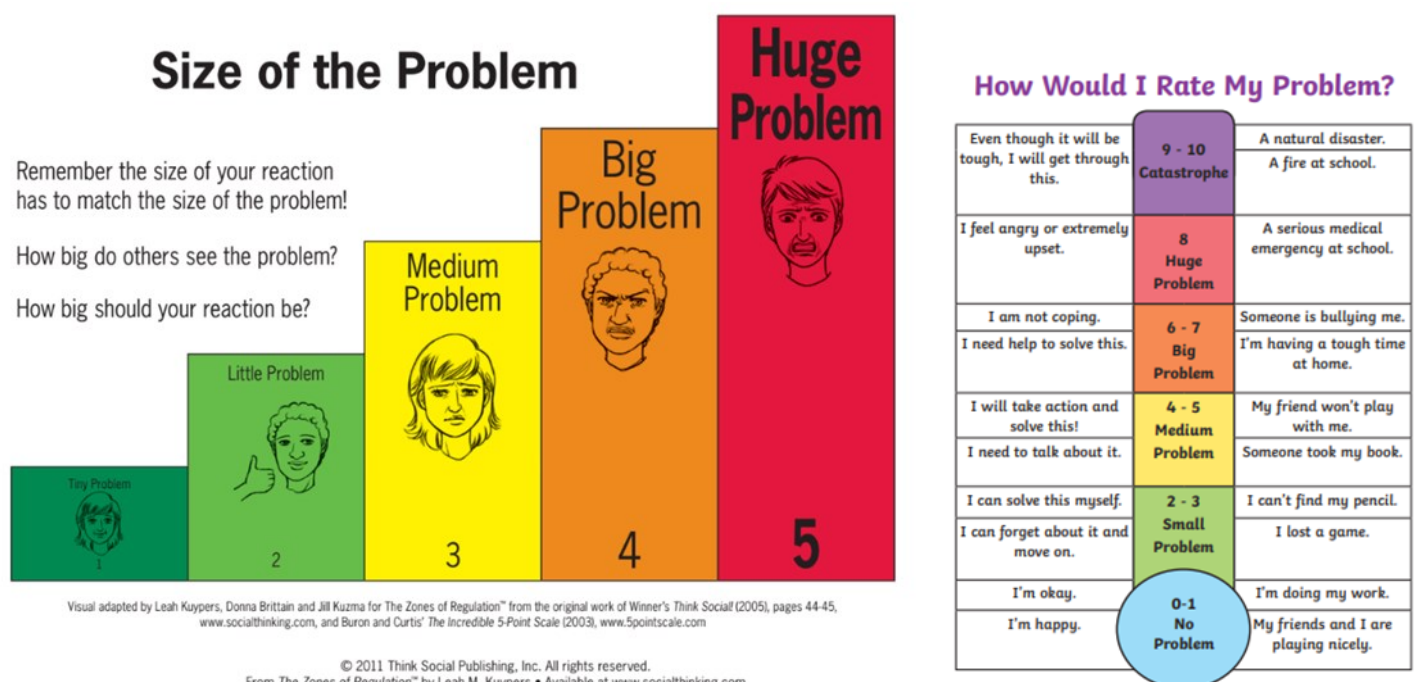

What are opportunity classes?

Opportunity classes cater for high potential and intellectually gifted students in Year 5 and 6. Parents apply when students are in Year 4 for placement in Years 5 and 6. It is a two-year program. Parents cannot apply for Year 6 placement only.

If you have any questions regarding an OC placement or the process involved, please contact the school office for assistance.

Zones of Regulation

Sometimes a child's reaction to an unexpected event is much bigger than the size of the problem. This first visual is very helpful, once the child is calm, to discuss how big they saw the problem and reflect on their reaction. You can go through the visual with them thinking what types of events constitute each column on the graph and what an appropriate reaction could be - like the "How Would I Rate My Problem?" example.

Cricket Wrap Up

I am thrilled to provide an update on our school senior cricket team's progress this season. Despite facing tough challenges, our dedicated players have shown incredible determination and resilience. Throughout the season, our team has put in their best effort, practicing tirelessly, and facing each match with enthusiasm. While the results may not fully reflect their hard work, it's important to recognise the strides they've made both individually and as a team. In the six games played this season, our senior cricket team secured a victory in one match. While the win may seem modest, it speaks volumes about the perseverance and growth mindset of our players. They've shown that success is not only measured by the number of wins but also by the effort and improvement they've demonstrated on and off the field. Our players have shown great sportsmanship, supporting each other through wins and losses, and learning valuable lessons along the way.

Our young cricket stars have truly shone bright, winning half of their games this season. This accomplishment is a testament to their hard work and dedication. With every match, our junior players have displayed great skill, teamwork, and sportsmanship. Whether it's a win, loss, or draw, they've approached each game with enthusiasm and a positive attitude, always striving to give their best performance.

The Berowra Cricket Club provided cricket equipment in the form of bats, pads, helmets, and stumps. On behalf of the entire school community, we wanted to take a moment to express our deepest gratitude for your incredibly generous contribution of cricket equipment to our school. Your kindness and support have made a significant difference in enhancing the sporting experience for our students, allowing them access to quality equipment that will help them develop their skills and passion for cricket. Thank you, in particular, to Chris Thomas for organising the equipment. Your donation not only provides the necessary tools for our young athletes to excel on the field but also demonstrates your commitment to enriching their educational journey beyond the classroom.

As we continue the season in Term Four, let's rally behind our cricket teams, cheering them on and celebrating their achievements, big and small. Regardless of the outcome of each match, their dedication and passion for the sport are what truly matter.

Go Team!

Yours in Cricket,

Mr Greg Curran

League Tag Round-Up

It has been a wonderful term of League Tag at Wideview. In our debut PSSA season, we've had so much fun each Friday at Foxglove Oval as we play other schools. Our game day begins with the seniors getting our juniors ready for their game and supporting them. It is lovely to see our junior players reciprocating by supporting our senior players with encouragement (and water too) during their game. It is very satisfying watching our kids live out the Wideview Way: Respect, Responsibility and Pride.

Our training sessions have been held each Thursday and students have thoroughly enjoyed it.

Thank you to all the families that have come to watch and support our junior and senior teams.

After this week, PSSA League Tag goes into recess till Term 4. We will recommence in Week 1.

Mr Parks

League Tag Coach 2024

The Game was Touch Football

The game was Touch Football, the venue was Warrina Street, the action was non-stop!

All students not competing in HZSS Sport this term had the opportunity to participate in a Touch Football skills clinic run by the NSW Touch Football Association. The children learnt a variety of skill building drills to practise and improve their passing, catching and spatial awareness. The older grades also had the opportunity to test their skills in modified games of touch.

Mr Harpur, Mr Coleman and the children all improved their skills, and their enjoyment of the game, thanks to the input from the coaches from [NSW Touch](#).

Mr Coleman

The Twelve Apostles

4/5P has been looking at the many landmarks that make our country unique in the world – both natural and built.

Our class voted the Twelve Apostles as one of the top ten most iconic images of Australia.

Our major artwork was to make a representation of the Twelve Apostles with pastels.

Wideview Represents at the Sydney North (Area) Swimming Carnival

On Tuesday 2 April three of our super swimmers took to the pool at Sydney Olympic Park for the Sydney North Swimming Carnival. Here's what they had to say about their day:

Aysha C: Last Tuesday Carter B, Luke A and I went to the Area Swimming Carnival at the Sydney Olympic pool. The events that I was in were 50 metres freestyle, 50 metres butterfly and 50 metres backstroke. My first race was freestyle. I got so nervous that I nearly ripped my wobbly tooth out! But once I was on the blocks I felt like I was ready to swim my hardest. There were very fast swimmers in my race so I got 6th. I got a new PB. It was 34.34 and I was very happy. My next race was backstroke. I wasn't that nervous because I had already done my first race but that didn't mean I wasn't scared. The whistle blew and I jumped into the water and held the bars ready to push off. I swam as hard as I could and I came 6th again and I got another PB. My last race was butterfly. I was already so tired. I went down to get marshalled and I was in the last heat so I had some time to catch my breath. I got up onto the block and dived in. At the end I was so tired! I looked at my time. It was 40.something. At the end when I drove home I got some delicious sushi. I had such a fun day!

Carter B: I entered the carnival as the top ranked swimmer in the whole of Hornsby Zone. I did very well in the 50m freestyle and I ended up coming 11th out of 24 swimmers and as well came 18th out of 24 swimmers in my breaststroke race as well. I was the reserve swimmer to race in the finals but everyone was there so I didn't get to race but at the end of the day it was just a race and I was still happy with myself because it's a good job to even make it to Area. Also I got a pb in my 50m breastroke!

Luke A: I arrived at the gate at 8 and went straight in to do my warm up, I found my seat and bought a cap and I went straight down to the 50 metre pool and I dived off the dive block and did 25 free to warm up. Then I got out and I did 25 fly I did that a couple times then I worked on my finishes. I got out because the warm up was finishing so I walked up to my seat, got some food and waited for my race which started at 10:23. When it was finally time for marshalling I ran down because I was so excited. When I was waiting for my race in the seats in front of the blocks I was really nervous because last time I was at Area I false started and I was really sad because that could have been my only chance to go to Area. So this was my chance to redeem myself! No pressure! When I was getting ready to swim I was just trying to make sure that I didn't false start and I didn't. I swam a 35.22 which is a PB and I came 28th out of 38. Then I had to wait for butterfly which took forever so my mum bought me some dino nuggets and chips that tasted really good. As luck would have it, mum's phone rang and we didn't hear the marshalling call for butterfly. This also happened to me the last time I was at Area. Why me?!? Luckily I zoomed down just in time and despite almost missing my race they let me in the marshalling line. Phew! I went up to the blocks and swam the fastest butterfly lap I have ever swam and I swam a 42.38 and came 18th out of 28 and got a PB. I was really happy with how I went overall and I got a school day dedicated to swimming!

Well done legends! Olympics next??

P&C Update

Please step up and be part of our amazing community

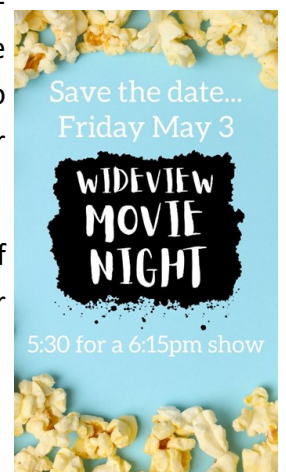

We are on the lookout for new members for our P&C executive team:

- Secretary: Edwin is planning on stepping down from his role of secretary to become the Band convenor. The secretary role involves taking minutes at the P&C meetings, sending out the agenda and some social media interactions.
- Treasurer: Steve is happy to continue this role for one more year. We are looking for someone with a finance background for the treasurer role. Don't worry too much though – we have an amazing Financial Manager Zaria who does a huge amount of work. Feel free to talk to Steve about this role. He would like someone to shadow him this year, so he can hand-over the role in 2025.
- Vice President: Shayne is stepping down from Vice President this year as this is her child's last year at Wideview. Prior to Vice President, Shayne was the P&C President. The Vice President position is a role that gets involved with the school. Whether that be fundraising, advertising, grant writing or preparing to become P&C President one day in the future.

Thank you to all our amazing P&C members! You have achieved so much for Wideview. We value all the time and effort you have given and continue to give.

Our next P&C meeting is our Annual General Meeting on 20 May. Without members in each committee and the exec we are unable to run WOOSHC, Canteen, Uniform shop and Band. All members of our community use at least one of these facilities. Please consider joining the P&C. The current members have a wealth of knowledge and would be very happy to help new members transition into their roles. Please contact anyone in the P&C for more info.

We have a free school community **movie night** that is being organised for the end of Term 2 week 1 – **Friday 3 May**. Please keep the date free. It will be a lovely event for new families and those who are continuing. Thank you to Edwin for organising this.

A **colour run** is being organised for the end of term 2 – **Thursday 4 July**. This will be one of our main fundraisers this year. We hope to raise as much as we can, and there will be prizes for the most money raised. More details to come next term. Thank you to Amy for organising this.

We are in the early stages on also organising a **student disco** for end of Term 3. Reach out to Anita if you would like to be involved.

The school would benefit greatly if we could hold another fundraising activity for Term 3. Please contact us if you have any ideas and would like to run an activity – some suggestions have been Trivia or Comedy for a Cause.

Thank you to Erin and Alicia who have offered to be a part of a grant seeking and writing team. We would appreciate a third member, if possible, to share the load. Successful grants can make a huge difference to the school and the facilities our children have available. Please contact me wideviewpandcpresident@gmail.com if you have any questions regarding the grants team.

Check out the Autumn vacation care timetable provided by the amazing WOOSHC staff! They are always organising fun and interactive incursions and excursions for the students. These holidays have lots on offer including laser tag, the movies, bricks 4 kids and inflatable obstacles.

If you are unable to make our P&C meetings (we alternate between meeting at the school library and Zoom meetings) on the third Monday night of each month at 7pm, but would like to be involved, please don't hesitate to reach out. Feel free to email me: wideviewpandcpresident@gmail.com if you have any questions or suggestions.

We also have a Facebook page for volunteers: [P&C Volunteers](#), please join the Facebook page and keep up-to-date with any projects, activities or fundraisers we are currently involved in.

Please see below for updates from our sub-committees.

Our next P&C meeting will be our AGM Monday 20 May 2024 at 7pm in the school library. This is will directly followed by a general meeting.

The P&C wish all families a fun and safe holiday break.

APEX – Movie under the Stars - cancelled

Unfortunately, the movie under the stars event on Friday 12 April has been cancelled due to recent rains and the grounds being too wet. We hope APEX can hold this event later in the year.

Band

If your child is in Years 3, 4, 5 or 6, they are welcome to join the band! Click [here](#) for the Band Handbook for everything you need to know about band. Please email Patrice at wideviewband@gmail.com if you're interested in joining the band or if you have any questions.

Canteen News

Term 2 changes:

The canteen committee are in discussions regarding **increasing prices of some menu items**, the removal of some menu items and other possible changes in the canteen due to increases costs of food and wages and volunteer availability.

One item that will be removed are the crystals due to the waste from this single-use item. This 20c option may be replaced by a frozen orange slice in Term 2.

Please sign up to volunteer at the canteen – we cannot run this menu at these prices without volunteers.

A BIG THANK YOU to all of our volunteers this term: Elliot, Merilyn, Flor, Michelle, Bec, Soumali, Eva, Tash, Claire, Donna, Kelly, Lynsey, Katy, Yuki, Anita, Karina, Bronwyn, Liz, Ilaria, Caroline, Prafull, Bree, Rachel, Natasha, Nicole, Laura and Rachel. Some of these are new volunteers this year, others have been helping for many years. We really appreciate the time you have volunteered. Apologies if we have missed anyone in this list.

Please check out our Facebook page to keep up with special days, changes in menu and calls for volunteers.

Please sign up to help at the canteen: <https://signup.com/go/PzVLCmt>

Uniform Shop News

Get ready for winter, with our \$2 sale!!

We have a whole lot of second-hand long-sleeved shirts and long pants for \$2! Sale on now and into term 2.

The Uniform Shop wishes to advise, that due to increased costs, there will be price increases for some items coming in term 2. More information to follow soon.
